Tournament Registration Changed for SSIPA Members

In early 2020, SSIPA membership will be integrated with pickleballtournaments.com. When you register for a tournament, your SSIPA membership will be checked. This will make the registration process easier for players and tournament directors.

Action for you to take: Please logon to pickleballtournaments.com and check your profile. In the lower right of the profile screen, your SSIPA member number will be displayed. Below is a screen shot of a sample profile.

**USAPA Membership Number:** 12345678

For most SSIPA members, your member number has been entered. Please validate that your number is correct. If your SSIPA member number is not filled in, simply edit your profile and add your member number.

What is my SSIPA member number? You can find your membership information by logging into our membership system at: https://www.ssipa-pb.org/membership Then select the link that says Current SSIPA Members: Click Here to access your account and login.

Please note: If your SSIPA member number is not on your pickleballtournaments.com profile, you will be required to pay a $5 temporary tournament fee.
